

ADAPT: Advancing Disability Awareness through Prioritized Training (10:30 am - 11:45 am)

ILRC is responding to community needs by packaging essential training components into one stream of training. Explore the ADAPT curriculum by participating in this dynamic session where you will experience select components of 5 fundamental training programs as delivered by people with disabilities from the lived experience. Drop in and see what ADAPT can offer you.

AGENT: ILRC as Agent Option (10:30 am - 11:45 am)

This interactive presentation will focus on multiple aspects of attendant resources through the ILRC and community, including the ILRC as Agent option - a newer, more flexible option for care that accompanies the Self and Family Managed Care Program. This breakout session will also explore Personal Attendant Community Education (PACE), a unique program in which individuals are trained to become independent living attendants.

BOLD Open Mic Booth (10:30 am to 2:30 pm)

Throughout the day, the BOLD Open Mic Booth will be available to all symposium participants. Anyone can speak freely on any topic as a rant, shout out, joke, musical performance, etc. This is an excellent opportunity to speak your mind and voice your opinion on issues that affect you directly.

Individual segments will be compiled for future use by ILRC and the community. Passionate and uncensored; BOLD is Beyond Oppression, Living with Disability.

ACCESS: Main Plenary (1:30 pm – 1:50 pm)

Join us for an engaging discussion with ILRC and the Public Interest Law Centre as we unpack the ombudsman complaint regarding Handi-Transit service in Winnipeg and look ahead to future happenings both within the ILRC and the disability community. This will be a frank discussion on the contents of the complaint and the proposed release date of the Final Ombudsman Report.
